**DEBTORS' OBJECTION TO
ADMINISTRATIVE PROOF OF CLAIM NO. 70809 FILED BY LORIN W. TATE**

TO THE HONORABLE ROBERT E. GERBER,
UNITED STATES BANKRUPTCY JUDGE:

Motors Liquidation Company (f/k/a General Motors Corporation) ("**MLC**"), and
its affiliated debtors, as debtors in possession (collectively, the "**Debtors**"), respectfully
represent:

Relief Requested

1. Pursuant to section 502(b) of title 11 of the United States Code (the
"**Bankruptcy Code**"), and Rule 3007(d) of the Federal Rules of Bankruptcy Procedure (the
"**Bankruptcy Rules**"), the Debtors object to proof of claim number 70908 filed by Mr. Lorin W.
Tate ("**Tate**") that asserts a \$2.2 million administrative expense claim against MLC for services

performed on the basis that Mr. Tate did not render any services for or otherwise provide a benefit to the Debtors' estates that would entitle his claim to an administrative expense priority. copy of the proof of claim is annexed hereto as **Exhibit "A."**

Jurisdiction

2. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

Background

3. On June 1, 2009, four of the Debtors (the "**Initial Debtors**")¹ commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code, and on October 9, 2009, two additional Debtors (the "**REALM/ENCORE Debtors**")² commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code, which cases are jointly administered with those of the Initial Debtors under Case Number 09-50026 (REG). By order dated December 14, 2010,³ the Court established February 14, 2011 as the deadline to file proofs of claim for administrative expenses arising between June 1, 2009 and January 31, 2011.

Proof of Claim No. 70908

4. Mr. Tate alleges a \$2.2 million administrative expense claim arising from services performed pursuant to that certain Recovery Agreement, dated August 30, 2007 among Mr. Tate and MLC (the "**Recovery Agreement**"), pursuant to which MLC agreed to pay Mr.

¹ The Initial Debtors are MLC (f/k/a General Motors Corporation), MLCS, LLC (f/k/a Saturn, LLC), MLCS Distribution Corporation (f/k/a Saturn Distribution Corporation), and MLC of Harlem, Inc. (f/k/a Chevrolet-Saturn of Harlem, Inc.).

² The REALM/ENCORE Debtors are Remediation and Liability Management Company, Inc., and Environmental Corporate Remediation Company, Inc.

³ Consent Order Pursuant to Section 503(a) of the Bankruptcy Code and Bankruptcy Rule 3003(c)(3) Establishing the Deadline for Filing Requests for Payment of Certain Administrative Expenses and Procedures Relating Thereto and Approving the Form and Manner of Notice Thereof, dated December 14, 2010 (ECF No. 8099).

Tate certain amounts for recovering unclaimed property from governmental custodians on MLC's behalf. Specifically, Section 3 of the Recovery Agreement governs the terms of payment and provides as follows:

In consideration for the services described above, GM agrees to pay [Mr. Tate] a fee as set forth next to the Asset value per each item listed on Schedule A, **only when such amounts are actually received by GM.** . . . Both Parties agree that [Mr. Tate] is not entitled to any advance fee but **will only be paid the above fee contingent upon GM's receipt of said funds.**

(emphasis added). Simply put, Mr. Tate is entitled to payment only when Mr. Tate recovers an asset and such assets are received by GM. The Recovery Agreement expired by its own terms on October 15, 2009.

5. As part of his proof of claim, Mr. Tate includes three invoices for recovered assets. The first invoice is for \$1,827.60 and is dated February 2, 2009. The second invoice is dated June 10, 2009 for \$357.72. The third invoice is dated November 11, 2009 for \$63,471.12. The Debtors' books and records indicate all three invoices were paid by General Motors, LLC ("New GM"), presumably because New GM considered the recoveries to be purchased assets under that certain Master Sale and Purchase Agreement, dated as of June 26, 2009.

6. Mr. Tate attaches to his proof of claim a schedule of potentially recoverable assets totaling \$27.6 million of value in support of his claim. Yet, Mr. Tate provides no documentation or evidence to suggest that Mr. Tate has recovered such assets and tendered them to the Debtors. The Debtors have reviewed their records and have no evidence that, after the Commencement Date, they received any funds from Mr. Tate.

The Relief Requested Should Be Approved by the Court

7. A filed proof of claim is “deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). If an objection refuting at least one of the claim’s essential allegations is asserted, the claimant has the burden to demonstrate the validity of the claim. *See In re Oneida Ltd.*, 400 B.R. 384, 389 (Bankr. S.D.N.Y. 2009); *In re Adelpia Commc’ns Corp.*, No. 02-41729, 2007 Bankr. LEXIS 660, at *15 (Bankr. S.D.N.Y. Feb. 20, 2007); *In re Rockefeller Ctr. Props.*, 272 B.R. 524, 539 (Bankr. S.D.N.Y. 2000). Section 502(b)(1) of the Bankruptcy Code provides, in relevant part, that a claim may not be allowed to the extent that “such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law.”

8. To establish a claim for administrative expense priority, a creditor must also allege sufficient facts with supporting documentation to establish that (a) an expense arises out of a transaction between the creditor and the debtor after the debtor commences its bankruptcy case and (b) the consideration supporting the claimant’s right to payment was both supplied and beneficial to the postpetition debtor in the operation of its business in bankruptcy. *Trustee of Amalgamated Ins. Fund v. McFarlin’s, Inc.*, 789 F.2d 98, 101 (2d Cir. 1986). Bankruptcy courts in New York as well as in other jurisdictions have made clear that priority under section 503(b) of the Bankruptcy Code “is reserved for those rare and extraordinary circumstances when the creditor’s involvement truly enhances the administration of the estate.” *In re Dana Corp.*, 390 B.R. 100, 108 (Bankr. S.D.N.Y. 2008). Efforts undertaken by a creditor to benefit its own interests are not compensable under section 503(b). *Id.* The benefit conferred must be a “direct benefit” on the debtor’s estate – an indirect benefit is not sufficient. *Id.*; *see also In re Granite Partners, L.P.*, 213 B.R. 440, 446 (Bankr. S.D.N.Y. 1997) (noting that

services that primarily benefit a creditor do not justify a substantial contribution award even if they also indirectly benefit the estate).

9. Proof of claim number 70908 fails to meet this standard. In the first instance, the Debtors' books and records indicate that no amounts are currently outstanding due to Mr. Tate and Mr. Tate provides no documentation or evidence to the contrary. As noted earlier, New GM has paid certain invoices that are included with Mr. Tate's proof of claim. To the extent Mr. Tate turned over funds to New GM beyond the ones noted, Mr. Tate should seek his commission fees from New GM.

10. While Mr. Tate has identified numerous potentially recoverable assets, Section 3 of the Recovery Agreement clearly states that payment to Tate is conditioned upon the recovery and receipt of a recoverable asset within one year of the termination of the Recovery Agreement. Although Mr. Tate may have attempted to collect \$27.6 million in recoverable assets, Mr. Tate provides no documentation or evidence to suggest that he has actually recovered any amounts other than those set forth in the three invoices attached to his proof of claim.

11. To the extent Mr. Tate has recovered any additional assets, Mr. Tate has presumably done so for the benefit of New GM. For example, New GM received the funds recovered by Mr. Tate from the State of Michigan set forth on Mr. Tate's November 11, 2009. The Recovery Agreement is extremely clear that if recoveries are received by a third party, the Debtors are not liable for fees. Additionally, Mr. Tate has conferred no benefit to the Debtors' estate that would entitle his claim to administrative expense priority.

12. Based upon the foregoing, the Debtors request that proof of claim number 70908 be disallowed and expunged in its entirety.

Notice

13. Notice of this Objection has been provided to Tate and parties in interest in accordance with the Fifth Amended Order Pursuant to 11 U.S.C. § 105(a) and Fed. R. Bankr. P. 1015(c) and 9007 Establishing Notice and Case Management Procedures, dated January 3, 2011 (ECF No. 8360). The Debtors submit that such notice is sufficient and no other or further notice need be provided.

14. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.

WHEREFORE the Debtors respectfully request entry of an order granting the relief requested herein and such other and further relief as is just.

Asset Recovery Services

Statement from Lorin W. Tate, Creditor

In support of Administrative Law Claim

United States Bankruptcy Court Southern District of New York

Re: Debtor: General Motors Corporation

On February 6, 2011, the undersigned, Lorin W. Tate, CEO of Tate² Asset Recovery Services, comes now and makes the following statement, under penalty of perjury, that the below information and documentation attached herewith, is true and correct:

1. Tate² Asset Recovery Services entered into a contract with General Motors (GM). Pursuant to their agreement, Mr. Tate hereby declares GM is indebted to Tate² Asset Recovery Services in the amount of \$2,200,000, plus interest at the rate of 4% per annum. This Administrative Claim is being submitted to recover the aforementioned debt.
2. TARS and GM had a contractual relationship whereby TARS provided services, including the identification and recovery of assets held by government custodians on behalf of GM and its affiliates/brands. This contractual relationship underlies the aforementioned debt. As evidence of the contractual relationship between Tate² Asset Recovery Services (TARS) and GM, please see Attachment #1. Further note, there were multiple extensions of the contract, the most recent extension is attached as Attachment #2, which expired Oct. 15, 2010.
3. TARS recovered assets of \$27,600,000. As evidence of the actual amounts owed, please see spreadsheets in Attachment #3. The spreadsheets in the attachment represent the assets TARS identified and filed claims to recover on behalf of GM. Note that assets were listed in distinct jurisdictions within all 50 states, Federal Courts and Canada, and included assets held in the name of GM, General Motors Asset Corporation, Saturn, Chevrolet and other GM brands. Further note, certain jurisdictions identify the asset value, and other jurisdictions do not make asset value publicly available, and thus not all assets in the spreadsheet have an assigned value.
4. Attachment #4 references the quarterly meetings, at which the assets listed in the spreadsheet were tracked, and discussions of the actual recovery of assets were conducted. Based on these discussions, TARS asserts that all assets have been released to GM. As further evidence that the assets have been released to GM, the assets are no longer listed nor in the possession of the custodians in the jurisdiction wherein the claims had been identified. The custodians are listed below for your independent verification that the assets have been dispersed.

5. Pursuant to the contract, TARS is entitled to compensation at the rate of 8% of total asset value recovered. Total compensation entitled to TARS is \$2,200,000.00 of which \$65,656.44 has been received on December 16th, 2009. The total outstanding debt is \$2,134,343.56 ($\$2,200,000.00 - \$65,656.44 = \$2,134,343.56$).
6. Moreover, Attachment #5, is an e-mail correspondence dated October 28, 2009, from GM to TARS, which evidences GM's obligation under this claim. Further, this evidences statements made by GM to TARS, asserting, after the Bankruptcy Proceedings were initiated, the fact that TARS will be paid in full despite the bankruptcy proceedings. TARS, in reliance on this material representation, continued to provide the asset recovery services to GM, and has consequently been damaged as a result of the non-payment or timely payment.

RECOVERY AGREEMENT

This Recovery Agreement (the "Agreement") is entered into on this 30 day of August, 2007, by and between Lorin W. Tate DBA Tate² Asset Recovery Services ("Provider") and General Motors Corporation, ("GM") a Delaware corporation, (together, the "Parties").

WHEREAS, GM desires to secure Assets due and owing, but which remain undelivered and unclaimed, or as a result of its status as a rightful recipient of Assets from an agency or instrumentality of the United States or a State thereof, which remain undelivered or unclaimed; and

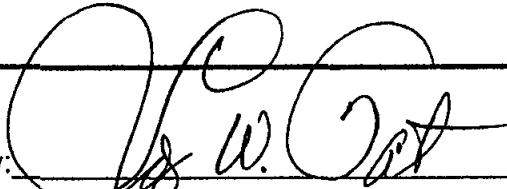

WHEREAS, Provider has, identified Assets, as contained on the attached Schedule A (the "Assets") that GM is entitled to claim.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Parties mutually agree as follows:

1. **Services:** Provider agrees to disclose all available information with respect to the Asset identity, including but not limited to how each Asset became unclaimed and to render all administrative services, including but not limited to the processing of all paperwork to perfect the claim for and corroborate the legal entitlement to each Asset. Provider will diligently exercise all necessary efforts to secure the release of and recovery of the Asset for GM. Provider will provide GM, within five (5) business days of receipt of same, copies of any and all correspondence Provider receives from the Agency, Entity or Authority maintaining the Assets ("the Holder"). Upon receipt of the Assets from the Holder, Provider will, within three (3) business days from said receipt, disburse the Assets to GM. GM will cooperate with Provider by executing and returning any documents provided by Provider as may be reasonably necessary to verify, complete and expedite this claim.
2. **Power of Attorney:** GM has appointed Provider as attorney in fact for the limited purpose of accomplishing release of the Assets. Such appointment is evidenced by a separately executed Power of Attorney, dated May 25, 2007, a copy of which is attached hereto as "Exhibit B."
3. **Compensation:** In consideration of the services described above, GM agrees to pay Provider a fee as set forth next to the Asset value per each item listed on Schedule A, only when such amounts are actually received by GM. GM will pay Provider this fee within sixty (60) days of receipt of said funds. Both Parties agree that Provider is not entitled to any advance fee but will only be paid the above fee contingent upon GM's receipt of said funds. GM may forego recovery at any time for any reason. If Assets recovered by Provider are subject to a contingency or other fee claim of GM's counsel or a collection agency, and/or are payable jointly to GM and another party, GM's fee to Provider will be limited to actual net amounts received by GM, exclusive of any such fee or third-party claim. Furthermore, if GM becomes aware of an Asset through another means, has contracted for its recovery with another party prior to the date of this Agreement, the Asset is determined not to belong to GM or if Provider cannot obtain the Asset, then GM will owe no fee to Provider. The foregoing determinations will be made by GM and will be conclusive and binding on Provider. Provider hereby waives all right of set-off, recoupment, or other claims it may now or hereafter have against GM in regard to the Assets, save only for the fees as herein stated.
4. **Costs of Recovery:** Provider will be responsible for the payment of all costs, fees and expenses, including taxes, in connection with or incidental to the matters contained in this Agreement.
5. **Indemnification:** Provider agrees to indemnify, defend and hold harmless GM from and against any and all losses, damages, or expense, including without limitation reasonable attorneys' fees, arising out of the activities of Provider performed pursuant to this Agreement or otherwise in connection with the relationship of the Parties.
6. **Provider Warranties:** Provider hereby represents, warrants and covenants to GM that:
 - (i) Provider is duly organized, validly existing and in good standing under the laws of the state of its incorporation and the states in which it does business, and has all corporate powers and all licenses, authorizations, consents and approvals required to carry on its business as now conducted.

- Provider has duly authorized the execution, delivery and performance of this Agreement, assuming due authorization, execution and delivery by GM, constitutes a legal, valid and binding obligation of Provider.
- (iii) The practices, procedures, or policies employed or proposed to be employed by the Provider have been in all respects legal, proper, and prudent and the business of Provider has been conducted in accordance with all applicable laws, rules, regulations, orders, or other requirements of governmental authorities. Provider has not received any notice of alleged violations of the foregoing.
- (iv) In its services under this Agreement, Provider will not engage in any collection activities covered by the Fair Debt Collection Practices Act, and in any event will make no direct contact with GM customers.
- (v) Provider acknowledges that it has no authority to and will not initiate any new criminal or civil action of any kind on behalf of GM or its affiliates.
- (vi) Neither this Agreement nor any statement, report or other document furnished or to be furnished by Provider pursuant to this Agreement contains any untrue statement of fact when such statement was made, or, to Provider's knowledge, omits to state a material fact necessary to make the statements contained therein not misleading.
- 7. Confidentiality:** Provider will not use the name of GM or any of GM's corporate affiliates in publications, customer lists, references, or any other manner without first obtaining GM's written consent to such use.
- 8. Term:** This Agreement is effective as of the date first written above (the "Effective Date") and terminates upon the earlier of: (i) payment of the fees referenced in Section 3 of this Agreement; or (ii) one year from Effective Date. The fees paid to Provider will be limited to Assets collected within one year after the termination of this Agreement, after which date Provider will be entitled to no fees.
- 9. Relationship of Parties:** Nothing herein will be deemed or construed to create a co-partnership or joint venture between the Parties hereto and the services of Provider will be rendered as an independent contractor and not as an agent of GM.
- 10. Assignment; Modification:** Provider will not assign or delegate any of its responsibilities under this Agreement to any other party. This Agreement may not be assigned in part or whole by Provider without GM's written consent. Any modification of this Agreement is invalid unless contained in a writing signed by both Parties.
- 11. Breach:** The failure of either Party to enforce any provision of this Agreement will not affect the right of such Party to enforce the same, nor will a waiver of any breach be held or taken to be a waiver of any succeeding breach.
- 12. Entire Agreement:** This Agreement contains the entire Agreement between the Parties with respect to the subject matter hereof.
- 13. Severability:** If any part of this Agreement is deemed void or unenforceable by a Court of Law, the remaining provisions constitute the Agreement between the Parties.
- 14. Execution:** This Agreement may be executed by the Parties in separate counterparts, each of which when so executed will be an original, but all such counterparts will together constitute but one and the same fully executed instrument.
- 15. Governing Law:** THE TERMS OF THIS AGREEMENT AND THE POWER OF ATTORNEY EXECUTED PURSUANT TO THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MICHIGAN, WITHOUT REGARD TO CONFLICT OF LAW RULES.

IN WITNESS WHEREOF, the Parties have executed this Agreement, as of the date first above written.

Lorin -

I received your fax, but only received 5 of the 9 pages (incl. cover sheet). I don't think this is cause for concern since you are helping collect money owed to GM (receivables), as opposed to having a claim to GM payables prior to the bankruptcy. Once we receive the funds you are helping to recover, your finder's fee would not be subject to any bankruptcy proceedings as this would be a post-petition (after bankruptcy) matter. Please contact me if you have further questions.

Thanks,
